

VOLUME 48

ELBA WOMEN SET HIGH RECORD MAKING SURGICAL DRESSINGS

Setting a new high record for production, Elba women last Wednesday made a total of 10,050 surgical dressings at the Red Cross rooms on the South Side of Court Square. This was another "spend-the-day" party, and proof that unity in action pays can be noted in the increase over the previous spend-the-day total of 7,075. This is indeed a splendid record and we dare say it has not been surpassed in towns much larger than Elba.

During the week of July 24-28, a total of 17,250 4"x bandages were made by the fifty workers under the direction of Mrs. Luther Vaughan, general chairman. The next spend-the-day meeting scheduled is for Wednesday, August 9th, at which time all interested workers are urged to come and participate in the day's activities.

Taking part in the work last Wednesday were the following ladies: Mesdames Pete Dorsey, Dana Perdue, Mayes, Lytle, Wallace; Misses Rosie, Pat Rainer, Katherine Mullins, Carolyn English, Jeannette Garrett, Totsy Rhodes, Sallie Collier; Mesdames Grady Padgett, Wayland Young, Morgan Windham, E. L. Spurlin, S. S. Edmondson, Sam Sawyer, Arthur Boutwell, J. F. Prescott, James English, D. J. Brooks, Gordon Prescott, Tobe Rhodes, Dave Vaughan, John Payne, Baxter Bryan, Flournoy Whitman, John Armon, W. E. Crook, C. P. Roberts, J. M. Garrett, Levy Foley, Lamar Rainey, Luther Vaughan, L. P. Mullins, J. W. English, Fulton Clark, H. Jeter.

SUMMER SCHOOL TO CLOSE AUGUST FOURTH

The summer session of Elba High School will close Friday, August 4. Nine will receive diplomas. The closing program will combine class night and graduating exercises. The main feature will be a playlet, "Climb Though The Rocks Be Rugged," presented by the graduating class.

We feel that the program will be worth while and cordially invite the public to be present Friday evening at 8:30 o'clock. No admission.

YOUNG PEOPLE WILL HAVE PROGRAM

We are expecting to have an interesting program Saturday night. We hope that all the members can be there. The "Tiger's Den" will be open Thursday night instead of Friday.

Relatives and friends of Miss Louise Farris, daughter of Mr. and Mrs. J. C. Farris, of Basin community, will regret to learn that she is seriously ill at Mobile Infirmary where she underwent an operation for appendicitis, and wish for her an early recovery.

Prof. D. F. McDowell left Sunday afternoon for his home in Augusta, after a week's visit with his parents, Mr. and Mrs. C. B. McDowell, and family.

Mr. and Mrs. W. J. Strickland and daughter, Barbara, of Birmingham, Mr. and Mrs. M. E. Tye, of Zion Chapel, were guests Sunday of Mr. and Mrs. Price Ringo.

DORSEY SEZ: DON'T WASTE VITAL RUBBER ! !

HAVE YOUR WHEEL ALIGNMENT CHECKED REGULARLY

Out of line means out of luck! So keep those front wheels in line—A wheel alignment job doesn't cost much and it saves a lot these days!

Ralph Helms, seaman 2nd class, son of Mr. and Mrs. Noah Helms, of the Goodman community, who has spent a 30-day furlough at home, has returned to California for his new assignment. Ralph sailed June 5, 1943, for the Southwest Pacific area, and returned to the States July 1, 1944. He was assigned to the "Acorn Nin" as a parachute rigger.

ANOTHER COFFEE BOY IS KILLED IN FRANCE

Mr. and Mrs. C. F. Helms, Jack Rt. 1, have had a message from the war department stating that their son, Obie F. Helms, was killed in action on July 10 somewhere in France. Other details have not yet been received.

Obie volunteered for service about two years ago when he was only 17 years of age. He visited his parents and other relatives last November and was assigned to overseas service the latter part of November or early December. Many relatives and friends in the county will be grieved to learn of his death. Besides his parents he is survived by three brothers: J. D. Helms, Columbus, Ga.; E. L. Helms, Tennessee, Rt. 1; Charles Helms, Jack, Rt. 1.

HRAOLD FREE KILLED SATURDAY IN ACCIDENT

On July 29, 1944, for an unknown cause, the death angel lingered over and in a mysterious way, took the sweet and much beloved one, Robert Harold Free, Harold had only seen seventeen birthdays. Saturday, July 22, he enjoyed his 17th birthday.

We hope and believe he has joined that Heavenly Band and his life's crown has won. If we could only see and know how happy he is, how happy we would be that he is at rest with that Dear One above.

Harold was loved by all who met him. This was after his death through life and after his death by all of the kind words and helping hands that all received during the heart-breaking hours that seemed unbearable. But maybe by our little strength and the great strength of that One above we can bear it. We are very much in sympathy with his dear mother and father, Mr. and Mrs. C. M. Free; one sister, Edna Meri Free, all of Phoenix City; his grandparents, Mr. and Mrs. J. S. Boutwell, of Elba, where Harold had made his home for the past several months, while being employed at Dorsey Bros., Mr. and Mrs. J. M. Free, of Phoenix City. He also leaves several aunts and uncles, four uncles being in the armed services.

The pallbearers were Leroy Boutwell, Leroy Flowers, Mazell Flowers, Draydon Flowers, Leavy Boutwell, Carroll and Calver Free.

On Sunday, July 30, at 2 o'clock the body was laid to rest in Evergreen cemetery. The funeral was conducted by Rev. P. Q. Jones at the home of Mr. and Mrs. J. S. Boutwell in West Elba.—Contributed.

Pfc. Cecil G. Prescott, who has been stationed at Fort Custer, Mich., writes to us to send The Clipper to his new address which is: APO 5789, care Postmaster, New York City.

Mr. and Mrs. Joe L. Carter, of Los Angeles, Calif., received his education in Thomas Jefferson schools at Council Bluffs. He has been in service for 3½ years, 19 months of which he has served overseas in two major battles.

Mr. and Mrs. W. J. Strickland and daughter, Barbara, of Birmingham, Mr. and Mrs. M. E. Tye, of Zion Chapel, were guests Sunday of Mr. and Mrs. Price Ringo.

AIRPLANE DUSTING DEMONSTRATION

Preparatory to saving Southeast Alabama's peanut crop against a possible outbreak of the velvet bean caterpillar, the Alabama Extension Service will join the county Farm Bureaus in conducting a demonstration by airplane in West Houston County Friday afternoon, August 4, at 3:00 o'clock.

The dusting demonstration will be held at the Wicksburg Auxiliary Airport on the Enterprise-Dorsey highway, 15 miles east of Enterprise. Farmers are urged to see this demonstration so they will have some idea as to what it will do this means of applying poison to the control of the bean caterpillar.

COUNTY RURAL CLUBS PLAN RECREATION

"Home and Community Recreation" was the subject for study in the home demonstration clubs of Coffee County in July. As a result, 28 clubs agreed to sponsor a youth recreational program in their respective communities. The aim of these programs is to provide some type of wholesome entertainment for the boys and girls in their own communities.

Mt. Gilead community started this work in May of this year, and they report that it has been very successful. It meets once each week. Some of the club members meet with the boys and girls each time and help direct the games. Once each month they meet at the Church for community singing, and the other meetings are held in the homes of the community.

Each of the 31 clubs met during July and made plans to hold some kind of "outing" for the community during August. These will be in the form of chicken fries, barbecues or picnic spreads, where games will be played, and the entire family will attend.

Along with the suggestions given on recreation, helpful hints on care of furniture were given by home agents in the July study.

BROWN-CARTER

Mr. and Mrs. John H. Brown, of Elba, announce the marriage of their daughter, Eva Mae, to Pfc. William H. Carter, of Camp Rucker and Council Bluffs, Iowa. The wedding took place July 16 in Bonifay, Fla., with Judge McDonald performing the ceremony.

Among those present were a few friends from the New Brockton and Enterprise telephone exchanges.

Mrs. Carter received her education in the Elba schools and for several years has been employed in North Alabama prior to working in New Brockton as telephone operator.

The groom is the son of Mr. and Mrs. Joe L. Carter, of Council Bluffs, Iowa, now of Los Angeles, Calif. He received his education in Thomas Jefferson schools at Council Bluffs. He has been in service for 3½ years, 19 months of which he has served overseas in two major battles.

Mr. and Mrs. W. J. Strickland and daughter, Barbara, of Birmingham, Mr. and Mrs. M. E. Tye, of Zion Chapel, were guests Sunday of Mr. and Mrs. Price Ringo.

Mr. W. F. Fortner transferred his home in Montgomery last Friday.

MRS. WORSHAN DIES

Friends and relatives of Mrs. Yeon Worshan, aged 51, were shocked to hear of her death Sunday morning, July 16. She died suddenly at 8:00 o'clock at the hospital in Tusculum. Funeral services were held at Hebron Church, Rev. Huey Ziglar officiating.

Surviving are: one daughter, Miss Imogene Worshan, of Troy, Rt. 2; five sisters, Mrs. Leona Head, Mrs. Anna Stevens and Mrs. Malissa Kelley, all of Jack, Rt. 1; Mrs. Coley Henley, Rocky Mount, N. C.; Mrs. Eliza Chapman, Troy, Rt. 2; one brother, Mr. N. W. Baxley, Phenix City, and other relatives.

CARD OF THANKS

We are taking this method of thanking the people of this community and surrounding communities for all the kind words and helping hands rendered during our heart-breaking days. Thanks for all the beautiful flowers received.

The Free Family.

Little Miss Cordelia Hammond has returned to her home in Dothan attending her home with Mr. and Mrs. Price Ringo.

Laundry Service Discontinued

Beginning August 12, 1944, will discontinue doing laundry here in Elba and will do just Dry Cleaning as I did before the War.

The reason for quitting laundry business is due to the fact that I can't get the help I need and I may be called back to the Merchant Marines at any time.

I have hired a new Cleaner and Spotter in my Dry Cleaning Department and our quality of cleaning is fifty per cent better than it has been lately. At one time I couldn't get the right kind of help to turn out the kind of work I would like for all my customers to have had.

Send your clothes to us or call us and we will care for them. If you have a garment cleaned here and you're not pleased with it, let me know and I will be glad to see that you are pleased.

I have been in business in Elba a long time and expect to stay and I want to please all of my customers if possible.

Sincerely,

White Cleaners

JAMES J. WISE

Here Are Some Items That Are Hard To Get

But We've Got 'Em

Repair and replacement parts for passenger cars and trucks are not easy to get, but we've succeeded in getting a pretty good stock. If you will need a repair job in the next few months, it will pay you to see us at once for these "hard to get" items, many of which can't be replaced today.

Cylinder Block Assembly for 40, 41 and 42 model Chevrolet Motors.

Water Pumps for any model Chevrolet—this stock is unlimited.

All Transmission Gears for 40-42 Passenger Cars

Transmission Gears for any model 1½-ton Truck

Axle Shafts and Gears for all model Chevrolets.

Front Shock Absorbers for 39-42 Passenger Cars

Any Essential Part for Chevrolet 2-Speed Rear Axle—Trucks.

Tire Rod Ends for all model Passenger Cars and Trucks.

Light Switches for all model Trucks.

Don't forget we have connection with a good tire shop and can get quick service on recapping and other tire repairs. This work is guaranteed and tires of all sizes can be repaired.

"VICTORY THROUGH
AIR POWER"

(Walt Disney Prod.)
Admission 10c & 30c

1944 SUPPORT PRICE
SET FOR COTTONSEED

The minimum support price for cottonseed established for the 1943 crop will be extended by the WFA to cover the 1944 crop. This support price is \$5.40 a ton, f. o. b. shipping point in Alabama.

The support price reflects existing OPA ceiling on cottonseed. The support price, which also remains unchanged. The 1944 support price will be effected through an "open offer" by the CCC to support the market for cottonseed products.

For all oil mills which accept the offer, Commodity Credit Corporation will support prices for cottonseed products through July 31, 1945, with an offer to purchase cottonseed oil at 1-8 cent per pound below the ceiling price; bulk cottonseed, 41 per cent protein minimum, at \$44 per ton in Alabama.

Prices actually received by growers will, of course, vary from time to time and by areas according to the quality of seed being marketed, the prices being paid by mills, and the ginners' margin in effect at the time of marketing.

Mrs. Osborn Eiland and children, of Columbus, Ga., were the week-end guests of her parents, Mr. and Mrs. Sam King, near Elba.

Miss Cumi Bryan was the week-end guest of her parents, Mr. and Mrs. Bud Bryan, of Pine Level community.

Merit awards worth \$100,000 are offered this year as incentives to rural youth throughout Alabama and the country to achieve outstanding records in 4-H agricultural and home economics activities to speed Victory. Details may be obtained from county or home agents or from T. A. Sims, Auburn, Ala.

Summer dresses made of fine washable fabrics should be hung on rust-proof dress hangers and dried indoors or in shade.

If starch sticks to the smoothing iron soften starch with beeswax, then remove with soapuds or a mild scouring powder.

Salesmanship

By STANLEY CORDELL
Associated Newspapers
Nashville Features.

THE secret to good salesmanship lies in the condition of one's mind. That is to say, if a man can convince himself that his product is good, that his prospect would benefit by having it, and if he can overcome that fear, that inferiority complex that shrivels him up inside when he knows on a spot or enters an office—more than half the battle is won.

That's what the sales manager of Everybody's Magazine Company told Leroy Poole. Leroy wouldn't have taken the job except that he was in desperate straits. He had always been a little aloof, a little aloof from salesmen, but he couldn't get himself a related job, hence his mentality must be low. Then there was that atmosphere of being a salesman which he had absorbed the door-to-door canvasser.

Leroy went out on territory with a youth named Edwin. Edwin had had some previous sales experience, about which, however, he talked only vaguely. He was a likable youth and Leroy was glad the two of them had been teamed up together.

But despite all this Leroy, after meeting Edwin with a promise to meet him for lunch, began at once to feel squeamish. He passed by a well-to-do house, began at once to feel squeamish. He passed by a well-to-do house, began at once to feel squeamish. He passed by a well-to-do house, began at once to feel squeamish.

For SALE: One three-piece bedroom suite, dresser, chest of drawers and metal heater; one heavy iron bedstead with springs; one metal heater; one heavy iron bedstead with springs; one metal heater; one heavy iron bedstead with springs.

LIBERTY NEWS
July 31, 1944.

Dear Editor:
We wonder how everyone is this morning. Everyone seems to be doing very well out here. We are having plenty of rain. We had about an inch of rain Saturday evening and last Thursday evening we had a big rain, but down about Curtis it did not rain much, but we are sure they got plenty Saturday. We hope everyone will get a good season. There are many stages of the crops and time will change everything.

We had quite a storm Saturday evening. It blew the corn about a lot. Old corn is about made, sure is scattering. It will be able to straighten up following a few more rains. Some of the peanuts are beginning to make, although the cutworms are after them. The corn has not been able to get to the top of the stalks. Some of the peanuts are beginning to make, although the cutworms are after them.

Edwin drank his coffee and grined. "I know how it is. It gets us all the same way at the start," he paused. "Tell you what, you come with me this afternoon. We'll work together, and the chances are we'll benefit by each other's method."

After that things went along quite smoothly. They made twelve calls during the afternoon and succeeded in selling eight subscriptions. It was really quite a lot of fun; even when they were turned away. It wasn't half bad, because each was comforted by knowledge that the other knew and understood.

Leroy was overjoyed with the afternoon's work and Edwin, too, was happy. They discussed the work on the bus they discussed to Edwin's work and agreed to try working together again.

"Morrow, you've been pretty square with me and I—well, I've a confession to make. I told you I made no sales this morning. Well, I didn't. I got out down on my first call and didn't have the courage to go on. And you asked me, I didn't have the courage to admit it to you."

Edwin looked at his companion in consternation. "Is that a fact?" he said, mildly astonished. Then abruptly he began to laugh. "I guess we're even. As a matter of fact, I didn't have the courage to make one call. I spent the morning sitting in a park, feeling pretty good. And when you asked me, I didn't have the courage to admit it to you."

But Edwin was holding out his hand, grining.

PEANUT WORM STILL
THREAT TO PEANUTS

By Hugh D. Sexton
County Agent

The velvet bean caterpillar is still a threat to the peanut crop in Coffee County. This is the same worm that has almost ruined the county's 1939 peanut crop.

Farmers are urged to examine their peanut plants at least twice a week. The only way to determine as to whether or not the worms are present is to turn up the plants, shake them over a newspaper or clean ground and see what comes off.

A few moths have been found in peanut fields in this county already.

The adult of this pest is a moth which is found in all shades of brown. When they are resting on a peanut plant their wings are partially folded. The moth is easily identified because a close inspection will show a distinct black line running from wing tip to wing tip. These moths lay eggs on the under side of the leaves of the plants. The eggs hatch out in about three days into a very small green worm. It feeds on the peanuts for approximately three weeks.

After this time the worm falls off the plant and hibernates in the ground where he will remain for about a week. He then emerges as a moth ready to lay more eggs.

Those of us who saw the airplane dusting demonstration at Weiksbach last Friday afternoon are convinced that airplane dusting can be resorted to if and when we have to. The supply of cryolite and karyocide is plentiful but farmers are reminded that local dealers cannot afford to stock quantities of these materials unless requested to do so by farmers.

HUGH BRANTLEY YOUNG
DIES FROM POISONING

Hugh Brantley Young, 12 years of age, son of Mr. and Mrs. Will Green Young, of Damascus, died at Enterprise hospital Thursday last of a very short illness. It was said that he attended a picnic Wednesday afternoon, and later became ill, and supposedly was suffering from ptomaine poisoning. He was sick just a few hours.

Besides his parents, he survived by three brothers: Texal, Reginald and Ranie Young. Funeral services were conducted at the family residence Friday with Minister J. C. Dixon officiating. Burial was in Damascus cemetery. Hayes Funeral Home had charge of arrangements.

CLINIC DATES
Immunization clinics will be held Monday, Aug. 14, at Gap Hardy's Store at 9:00 o'clock, war time; Rex Lowery's Store at 10:00 o'clock; Bluff Springs, 1:00 o'clock; Garland Weidner, M. D., Co. Health Officer.

Mr. and Mrs. Alvie D. Hurd announce the birth of a 7½ pound daughter, August 2nd, 1944, whom they have named baby Fay. Mother and baby are getting along nicely.

GREAT REVIVAL

A great revival was held at Mt. Calvary Baptist Church (colored), 7½ miles East of Elba, starting July 16. It was conducted by Rev. W. A. Alford, of Troy. It was a splendid revival, spiritual and financial. No. of members received, 32; money raised, \$246.02. Large crowds attended. Hubert Junior Askew, clerk, Elba, Ala.
